RP4K summer 2012 policies:

Please go over these policies with your child.

1. Please ensure your child has a USB stick to bring to class. For safety sake, your son or daughter should bring home a back up of their game code, on their USB stick after each day.
2. Due to the logistics of a summer camp, there can be no make up classes.
3. Please try hard to be on time. (This really makes the classes better for all the students)
4. Please note that we are unable to properly supervise students who are not in a class. Therefore we ask parents & guardians to drop off and pick up their children not more than 15 min prior to start time and not more than 15 min after end time. When dropping off their children parents are responsible to accompany their children until they are inside the RP4K lab.
5. Parents can quietly sit in on the classes for observation purposes but parents must remain in the computer lab area and can not wander around the school. Parents cannot interfere with the teaching if they choose to observe the class. Only students are allowed to use the school computers; parents are not allowed to use the computers.
6. Parents of full day students must equip their kids with lunches. Peanuts, peanut butter, nuts or peanut based foods are prohibited from the RP4K classrooms.
7. No consumption of food or drinks is allowed near the computers or other electronic equipment.
8. Our students (& parents) must be on their best behavior all the time, however should a child create unnecessary disruptions during a class, we will call home to notify the parent or guardian. If after the one phone call, the child's behavior is not improved, RP4K reserves the right to expel the student with no refund. No foul language, bullying of other students or abuse of computers or other school property will be tolerated.

9. Refund Policies:

- a. You must notify Real Programming 4 Kids if you are withdrawing your child from classes.
- b. **Deposits** are non-refundable after April 1st, 2012
- c. The **Balance** is non-refundable after May 25th, 2012
- d. **RP4K Quality Assurance Guarantee:** If after trying out the first two days of an RP4K camp, you wish to withdraw your child, a full refund will be provided if he or she is withdrawn before the third day of the camp.

I have read and agree to the above summer 2012 RP4K policies:
