**March 12 –16 th (2012) camps held in Toronto (Leaside United Church) & Oakville (St. Mildred’s-Lightbourn School)**

In order to maintain an excellent relationship with Leaside United Church and St. Mildred’s, our host March break facilities and to achieve the best possible classes, for everyone, it is necessary for our parents and students to follow these rules and policies.

1. Please ensure your child has a USB stick to bring to class. For safety sake, your son or daughter should bring home a back up of their game code, on their USB stick after each day.
2. Due to the logistics of a March break camp, there are no make up classes for the one week March camp.
3. Please try hard to be on time. (This really makes the classes better for all the students)
4. Please note that we are unable to properly supervise students who are not in a class. Therefore we ask parents & guardians to drop off and pick up their children not more than 15 min prior to start time and not more than 15 min after end time. When dropping off their children parents are responsible to accompany their children until they are safely inside the RP4K class.
5. Parents can quietly sit in on the classes for observation purposes but parents must remain in the computer lab area and can not wander around the school. Parents cannot interfere with the teaching if they choose to observe the class. Only students are allowed to use the school computers; parents are not allowed to use the computers.
6. Parents of full day students must equip their kids with lunches. Peanuts, peanut butter, nuts or peanut based foods are prohibited from the RP4K classrooms.
7. No consumption of food or drinks is allowed near the computers or other electronic equipment.
8. Our students (& parents) must be on their best behavior all the time, however should a child create unnecessary disruptions during a class, we will call home to notify the parent or guardian. If after the one phone call, the child’s behavior is not improved, RP4K reserves the right to expel the student with no refund. No foul language, bullying of other students or abuse of computers or other school property will be tolerated.
9. **Refund Policy:**
  - a. To cancel a March break course, parents must notify our head office by calling 416-469-9676 or emailing [rp4kelliott@gmail.com](mailto:rp4kelliott@gmail.com) with significant advance notice prior to the March break camp
  - b. **Deposits are non-refundable** after Feb 1<sup>st</sup> , 2012
  - c. **Balances are non-refundable** after Feb 15<sup>th</sup> , 2012
  - d. **Our high quality guarantee:** If after ATTENDING the first 2 days of a March break camp, then as long as you withdraw your child before the 3<sup>rd</sup> day, you can receive a 100% refund, with penalty waived and no loss of deposit.

**I have read & agree to the previous conditions:**

### **Fee Payment and scheduling your child's 2012 March break camp:**

- All March break camps take place at Leaside United Church and St. Mildred's-Lightbourn School, between March 12-16<sup>th</sup> (2012), Monday to Friday, 9 am -12 pm, 1 pm - 4 pm or all day.
- At each of our two March break locations, RP4K will be running a max of 3 labs of a max of 4 students per lab for the March 12-16<sup>th</sup> break. This strictly limits our enrollment to 48 students. Therefore March break camps are sold on a First Come First Serve basis and are held by deposit only. **Please call and register early to ensure your child's participation in RP4K's March break camp.**
- **Call 416-469-9676 OR (TOLL FREE) 1-877-307-3456 to discuss a March break course selection for your child & finalize payment details.**
- Please mail this registration form (completed) deposit with current date and post-dated balance to:

- Alice (Magic show), Beginner Visual Basic (Frogger) and Beginner+ (Pacman) are each half day camps (either 9:00 AM to 12:00 PM or 1:00 PM to 4:00 PM)
- The Early start Programming (Magic show) course uses a Programming Language called “Alice”, which was developed by Carnegie Mellon University. This course has been researched and developed by Scott King B.Math (Honours) B.Ed. and is aimed at 7 to 9 year olds with strong logic/math skills but weaker computer & typing skills. Alice can be freely distributed to our students just like Visual Basic, Java and C#.
- Developing Visual Basic (Donkey Kong), Developing+ Visual Basic (Mario), Intermediate Java (Retro Asteroids) and Intermediate+ C# (Shooter) are each full day camps. (9:00 AM to 4:00 PM with a 1 hour lunch break from 12:00 PM to 1:00 PM)
- Unlike RP4K summer camps or the weekly school season program, RP4K offers March break course choices restricted to those seen in the table above.
